and registered under file number 111.11101.0.21628(2021).

Please note:

**This confirmation of receipt is NOT a certification of marketability.**

**Receipt of your message is hereby confirmed.**

**This letter is NOT a certification of marketability.**

This confirmation proves that your notification has been received. Within the framework of this  
notification procedure

I will only formally check the submitted documents for completeness. There is no further  
examination of the content. The BVL shall immediately forward the notification to the Federal  
Ministry of Food and Agriculture and the supreme Land authorities responsible for food  
monitoring. The food business operator is fully responsible for compliance with food law  
regulations.

If the product is changed (e.g. product name, composition, etc.), a change notification is  
required. If the above product should be withdrawn from the market, please inform me  
(indicating the date).

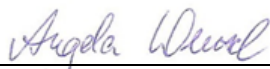

If you have any questions regarding the classification of the product, the examination of marketability or the labelling, you have the option of contacting a food chemistry expert who has been sworn in by the Chamber of Industry and Commerce. Addresses can be obtained from the local Chamber of Industry and Commerce or from <http://svv.ihk.de/>.

In addition, you can contact the cross-checking experts approved by the states. A list of the cross-check experts can be found on the BVL website at: [www.bvl.bund.de/gegenprobensachverstaendige](http://www.bvl.bund.de/gegenprobensachverstaendige)

Legal advice from lawyers specialising in food law is also recommended. You can find relevant contacts through the local bar associations, which provide a lawyer search service. A list of the respective bar associations can be found on the website of the Federal Bar Association: <http://www.brak.de/fuer-verbraucher/anwaltssuche/>
